PRESIDENT'S CORNER BY ORLY MANINGDING

Dear Kababayan and Friends,

Welcome to our 1st Quarter Newsletter of 2021. Foremost, I would like to say "Happy New Year" to all of our members, officers, and friends of the FCC.

As we make our New Year's resolutions and set our goals for 2021, I want to challenge everyone to not only look at your own personal development in the coming year, but also look at ways we can help one another achieve their goals. Our community can only be its best if we continue to encourage and challenge each other, especially our young adults who are the next leaders of our community. Remember, they are the future of our society and of our FCC.

Happy "32nd" Anniversary to our Filipino Community Center. I wish you all the very best in 2021. Be safe and may God bless.

Orly Maningding
FCC President

COVID-19 Vaccinations: Three things you need to know.

- Who is eligible for the vaccination.
- Where to get the vaccination.
- How to get an appointment.

To find out this information, go to the South Carolina Department of Health and Environmental Control (SCDHEC) website.

<https://scdhec.gov/covid19/covid-19-vaccine/covid-19-vaccine-appointments>

Click on "Find a Vaccine Provider near you", or call [1-866-365-8110](tel:1-866-365-8110) for answers to vaccine related questions and to obtain help finding the contact information you will need to schedule an appointment.

Reminders for getting your COVID-19 vaccine:

- Make an appointment with a vaccine provider to guarantee you'll receive your shot.
- You will need to make two appointments to receive one shot at each. This applies to both vaccines, Pfizer-BioNtech and Moderna.

- You should make your appointment for your second shot at the same location where you receive your first shot.
- Make your second appointment while you are at your first appointment, not later. Do not leave your first appointment without knowing how and when you will get your second shot.
- Until more vaccine is available, some appointments may need to be rescheduled for a later date if a provider runs out of vaccine. Providers will contact you directly if they need to reschedule your appointment.
- If you need to reschedule an appointment, remember to cancel your initial appointment so someone else can use it.

4 phases of the COVID-19 Vaccination Program.

Which phase are you in? While you are visiting the SCDHEC website, click on the link "Covid-19 Vaccine Information". There you will find the four phases and a description of each. Click through each phase until you come to the one that applies to you.

Phase 1A and 65+ (Ongoing through Feb 2021)

Phase 1B (Spring 2021)

Phase 1C (Late Spring 2021)

Phase 2 (Summer—Fall 2021)
